22 MR. STOVALL: In keeping with our usual  
23 practice and since there's so many people here, we'll  
24 try to clarify approximately when you'll be on.

25 We'll put all contested cases at the end of

1 the docket, to be heard after uncontested cases. I'm  
2 showing the three Chevron applications in the  
3 contested pool. Those will be the last cases heard,  
4 10059, 60 and 61, the three Chevron cases in  
5 connection with the waterflood.

6 Case 10048 will be moved to be the first  
7 case heard after the uncontested cases. Case 10049  
8 will be moved to after the uncontested cases.

9 Does anybody know of any other opposed  
10 cases on the docket?

11 Case 10052 is no longer opposed, is that  
12 right, Mr. Padilla?

13 MR. PADILLA: That's correct.

14 MR. STOVALL: Are there any other parties  
15 here who have any intent of opposing any of the cases  
16 that are on the docket for today?

17 Okay. Those two cases are the two that  
18 will be affected. Time estimate? Difficult to say,  
19 as you all know.

20 There are seven uncontested cases. You're  
21 looking at an average of 30 minutes apiece on those.  
22 That will give you some idea of how long it will  
23 take. If that gives you some idea, those of you on  
24 those two cases that are getting moved back, it will  
25 probably be at least two to three hours before they're

1 actually called. Whether they're called before or  
2 after lunch is difficult to predict at this point.

3 If you'll check back about 10:30 to 11:00  
4 to see where we are on the docket at that time, it  
5 will free you up for a couple of hours anyway.

8 HEARING EXAMINER: Yes, Mr. Kellahin.

9 MR. KELLAHIN: Turn back to page number two, it's  
10 the TXO case, 9997.

11 HEARING EXAMINER: Case No. 9997. Yes, sir.

12 MR. KELLAHIN: I represent the Applicant in that  
13 case. And on behalf of the Applicant we request it be  
14 continued to August 22nd.

15 HEARING EXAMINER: Thank you, Mr. Kellahin. Said

19 MR. KELLAHIN: May I ask a point of clarification on

21 HEARING EXAMINER: Yes, sir. What's that case  
22 number?

23 MR. KELLAHIN: Case 10021.

24 HEARING EXAMINER: 10021. Okay.

25 MR. KELLAHIN: I represent the Applicant in that

1 case. Mr. Bruce represented the opponent and has withdrawn his  
2 opposition. And we were proposing to have the case dismissed  
3 and returned to the examiner for administrative processing.

4 HEARING EXAMINER: Yes, Mr. Kellahin.

5 MR. KELLAHIN: Is that something we can accomplish  
6 without readvertising it for a hearing?

7 HEARING EXAMINER: Mr. Kellahin, I was in receipt,  
8 and you'll be getting a correspondence from me concerning that.  
9 I do not have it with me. Evidently it has not been typed  
10 today. I am referring back to a correspondence to you from me  
11 on July 20, 1990 in response to your letter of July 19, 1990,  
12 wishing it to be readvertised from the south half east half  
13 dedication. That was done pursuant to our correspondence  
14 yesterday. And in light of that you will be getting a  
15 correspondence from me requesting some additional information  
16 for the administrative application which it can still be done  
17 administratively. But because the administrative application  
18 was for the lay down south half south half and you wish to  
19 reorient the east half there was some additional notification  
20 that needed to be done for the administrative application.

21 MR. KELLAHIN: Is the intent then to readvertise it  
22 on this docket to satisfy the change for the proration unit in  
23 order to return it for administrative processing?

24 HEARING EXAMINER: No, sir, Mr. Kellahin. The  
25 process has already been done. Advertisements have been sent

1 out for the 22nd. It's already on the docket. But it's our  
2 intention to dismiss it at that time.

3 MR. KELLAHIN: Thank you.

4 HEARING EXAMINER: If there is no additional  
5 problems with the admitted administrative application which I  
6 requested from Meridian. You should be getting that letter  
7 today. In fact after -- at some recess we'll get with my  
8 secretary.

9 MR. KELLAHIN: That clarifies what was happening. I  
10 appreciate it. Thank you.

11 HEARING EXAMINER: I apologize for yesterday. By  
12 the time we got around to that it was a little late.

13 MR. KELLAHIN: That's all right.

14 \* \* \* \* \*

15 HEARING EXAMINER: Okay. Call next case, No. 9995.

16 MR. STOVALL: Application of Sendero Petroleum, Inc.  
17 for compulsory pooling, Eddy County, New Mexico.

18 HEARING EXAMINER: At the Applicant's request,  
19 Mr. Stovall, this case is going to be continued to the  
20 examiner's hearing scheduled for August 22nd, 1990.

21 \* \* \* \* \*

22 I do hereby certify that the foregoing is  
23 a complete record of the proceedings in  
24 the Examiner hearing of Case No. 9997  
25 heard by me on 8 August 19 90.
