Re: Application of Nearburg Producing Company for Saltwater Disposal,  
Eddy County, New Mexico

Dear Mr. LeMay:

Nearburg Producing Company seeks authority to dispose of produced water by injection into the Devonian formation by re-entering and deepening the Holstun "Com" No. 1 Well, an existing Morrow dry hole, located 660 feet from the North line and 1980 feet from the East line of Section 4, Township 20 South, Range 25 East, N.M.P.M., Eddy County, New Mexico. Nearburg requests that this case be included on the August 8, 1990 Examiner Hearing docket. Completed Forms C-108 will be filed with the Division and provided to offsetting owners and the owner of the surface of this land as required by OCD Rules.

Your attention to this application is appreciated.

Very truly yours,

WILLIAM F. CARR
