6 MR. KELLAHIN: Mr. Examiner, I have one further case
7 to continue.

8 HEARING EXAMINER: Yes, Mr. Kellahin.

9 MR. KELLAHIN: Turn back to page number two, it's
10 the TXO case, 9997.

11 HEARING EXAMINER: Case No. 9997. Yes, sir.

12 MR. KELLAHIN: I represent the Applicant in that

24 HEARING EXAMINER: 10021. Okay.

25 MR. KELLAHIN: I represent the Applicant in that

3 and returned to the examiner for administrative processing.

4 HEARING EXAMINER: Yes, Mr. Kellahin.

5 MR. KELLAHIN: Is that something we can accomplish
6 without readvertising it for a hearing?

7 HEARING EXAMINER: Mr. Kellahin, I was in receipt,
8 and you'll be getting a correspondence from me concerning that.
9 I do not have it with me. Evidently it has not been typed
10 today. I am referring back to a correspondence to you from me
11 on July 20, 1990 in response to your letter of July 19, 1990,
12 wishing it to be readvertised from the south half east half
13 dedication. That was done pursuant to our correspondence
14 yesterday. And in light of that you will be getting a
15 correspondence from me requesting some additional information
16 for the administrative application which it can still be done
17 administratively. But because the administrative application
18 was for the lay down south half south half and you wish to
19 reorient the east half there was some additional notification
20 that needed to be done for the administrative application.

21 MR. KELLAHIN: Is the intent then to readvertise it
22 on this docket to satisfy the change for the proration unit in
23 order to return it for administrative processing?

24 HEARING EXAMINER: No, sir, Mr. Kellahin. The
25 process has already been done. Advertisements have been sent

1 out for the 22nd. It's already on the docket. But it's our
2 intention to dismiss it at that time.

3 MR. KELLAHIN: Thank you.

4 HEARING EXAMINER: If there is no additional
5 problems with the admitted administrative application which I
6 requested from Meridian. You should be getting that letter
7 today. In fact after -- at some recess we'll get with my
8 secretary.

9 MR. KELLAHIN: That clarifies what was happening. I
10 appreciate it. Thank you.

11 HEARING EXAMINER: I apologize for yesterday. By
12 the time we got around to that it was a little late.

13 MR. KELLAHIN: That's all right.

14 * * * * *

15 HEARING EXAMINER: Okay. Call next case, No. 9995.

16 MR. STOVALL: Application of Sendero Petroleum, Inc.
17 for compulsory pooling, Eddy County, New Mexico.

18 HEARING EXAMINER: At the Applicant's request,
19 Mr. Stovall, this case is going to be continued to the
20 examiner's hearing scheduled for August 22nd, 1990.
