Re: Application of Chevron U.S.A., Inc. for an Unorthodox Oil Well Location,  
Lea County, New Mexico

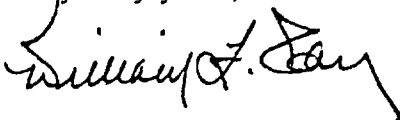

Dear Mr. Gillespie:

This letter is to advise you that Chevron U.S.A., Inc. has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox oil well location in the Strawn formation, Shipp-Strawn Pool, for its Lea "YL" State Well No. 2 at a point 2230 feet from the South line and 2310 feet from the East line of Section 2, Township 17 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Chevron U.S.A., Inc. proposes to dedicate the W/2 SE/4 of Section 2 to this well.

This application has been set for hearing before a Division Examiner on October 3, 1990. You are not required to attend this hearing but, as the operator of a spacing unit or an owner of an interest that may be affected by this unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR  
ATTORNEY FOR CHEVRON U.S.A., INC.

Re: Application of Chevron U.S.A., Inc. for an Unorthodox Oil Well Location,  
Lea County, New Mexico

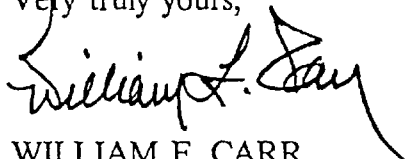

Gentlemen:

This letter is to advise you that Chevron U.S.A., Inc. has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox oil well location in the Strawn formation, Shipp-Strawn Pool, for its Lea "YL" State Well No. 2 at a point 2230 feet from the South line and 2310 feet from the East line of Section 2, Township 17 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Chevron U.S.A., Inc. proposes to dedicate the W/2 SE/4 of Section 2 to this well.

This application has been set for hearing before a Division Examiner on October 3, 1990. You are not required to attend this hearing but, as the operator of a spacing unit or an owner of an interest that may be affected by this unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

Gentlemen:

In response to William Carr's letter dated August 28, 1990 wherein Pennzoil was notified of Chevron's intent to drill the captioned well at the referenced unorthodox location, please be advised that Pennzoil will not protest the subject well location conditioned upon Chevron's acceptance of the following terms:

1. Chevron will not protest a similar unorthodox location which Pennzoil may propose in the future in the E/2SW/4, Section 2, T17S, R37E.
2. Chevron agrees to provide Pennzoil with copies of all logs performed under the Lea "YL" State Well No. 2 within one (1) month of reaching total depth thereunder.
