Dear Mr. Daugherty:

This letter is to advise you that Stevens Operating Corporation has filed an application with the New Mexico Oil Conservation Division seeking authority for salt water disposal by disposal of water into the Devonian formation Twin Lakes Devonian Pool, in an existing wellbore located 1870 feet from the North line and 80 feet from the West line of Section 1, Township 9 South, Range 28 East, N.M.P.M., Chaves County, New Mexico.

This application has been set for hearing before a Division Examiner on December 19, 1990. You are not required to attend this hearing but, as the owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.
