Re: Application of Harvey E. Yates Company for Compulsory Pooling, Eddy  
County, New Mexico

Gentlemen:

This letter is to advise you that Harvey E. Yates Company has filed an application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in and under the NW/4 SW/4 of Section 12, Township 18 South, Range 31 East, N.M.P.M., Eddy County, New Mexico from the depth of 3,595 feet to the base of the Delaware formation. Harvey E. Yates Company proposes to dedicate the referenced pooled unit to a well to be located at a standard location in the NW/4 SW/4 of said Section 12.

This application has been set for hearing before a Division Examiner on December 19, 1990. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR  
ATTORNEY FOR HARVEY E. YATES COMPANY
