APPLICATION

OIL CONSERVATION DIVISION

The Ronadero Company, Inc., by its undersigned attorneys, hereby makes application for approval of the downhole commingling of Devonian and Pennsylvanian production, and in support thereof would show:

1. Applicant has drilled a well in Unit F of Section 23, Township 12 South, Range 32 East, N.M.P.M., Lea County, New Mexico, at a location 1980 feet from the West line and 1,650 feet from the North line of the Section.
2. The SE1/4NW1/4 of the Section is dedicated to the well.
3. The well has perforations in and is capable of producing from the Pennsylvanian formation and the Devonian formation.
4. Applicant seeks approval for the downhole commingling of production from the Devonian and Pennsylvanian formations.
5. Applicant will, in the future, seek administrative approval for dual completion of the well without a hearing, and intends to present evidence in support thereof at the hearing on this application.
6. Applicant requests this matter be set for the July 11, 1984 Examiner hearing.
