Re: Application of GGC, Incorporated for a Treating  
Plant Permit, Lea County, New Mexico.

Dear Mr. Stamets:

Enclosed in triplicate is the application of GGC, Incorporated in the above-referenced case. GGC, Incorporated respectfully requests that this matter be included on the docket for the November 28, 1984 Examiner hearings.

Your attention to this request is appreciated.

Very truly yours,

William F. Carr

BEFORE THE  
OIL CONSERVATION DIVISION  
NEW MEXICO DEPARTMENT OF ENERGY AND MINERALS

RECEIVED  
NOV 16 1934  
OIL CONSERVATION DIVISION

IN THE MATTER OF THE APPLICATION  
OF GGC, INCORPORATED FOR A TREATING  
PLANT PERMIT, LEA COUNTY, NEW MEXICO.

Case 8411

APPLICATION

Comes now, GGC Incorporated, by and through its undersigned attorneys, and hereby makes application for a treating plant permit, and in support of this application would show the Division:

1. That its principal place of business is located in Lea County, New Mexico.

2. That this application is made pursuant to the provisions of Rule 312 of the Rules and Regulations of the New Mexico Oil Conservation Division.

3. That the proposed location of the treating plant is in Section 29, Township 9 South, Range 33 East, N.M.P.M., Lea County, New Mexico.

4. That the type and capacity of the plant is as follows:

- a. One 400 barrel storage tank for incoming tank bottoms and sediment oil;
- b. One 210 barrel storage tank for condensate;
- c. One 40 Horsepower steam boiler;
- d. Two 300 barrel clean oil tanks;
- e. Incoming product to be treated with chemicals and

mixed with condensate. If necessary, tank heated and treated with distillate then product into storage for transmission to purchaser;

f. Water is disposed of by Kenneth Tank Service, Crossroads, New Mexico. 3 mi. West of Crossroads Candy → (solids) also

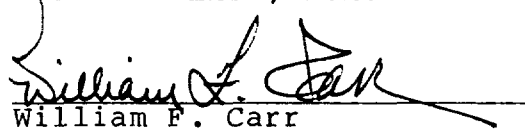

g. The capacity of the plant is approximately 2000 barrels per month but will be dependent upon the amount of incoming product.

GGC, Incorporated requests that this application be set for hearing before a duly appointed Examiner of the Oil Conservation Division on November 28, 1984, that notice be given as required by law and the rules of the Division, and that this application for a treating plant permit be approved.

Respectfully submitted,

CAMPBELL & BLACK, P.A.
