Director New Mexico Oil and Gas Division  
310 Old Santa Fe Trail  
Santa Fe, New Mexico 87501

Dear Mr. Graham:

Enclosed for your review is MAR Oil and Gas Corporations package submittal for designation of Federal-State exploration units.

The first proposed unit will be called the Willard unit and will consist of approximately 7040 acres. Initial proposed well will be located on the West Half of Section 34, Township 5 North, Range 8 East, N.M.P.M., of an approximate depth of 3500 feet.

The second proposed unit will be called the Berkshire unit and will consist of about 27840 acres. Initial proposed well will be located in the South West Quarter of Section 2, Township 6 North, Range 10 East, N.M.P.M., with expected depth of 7500 feet. The second test well will be located in the South West Quarter of Section 17, Township 6 North, Range 10 East, N.M.P.M., also to expected depth of 7500 feet.

If there are any further questions or requirements please advise.

Yours truly,

Leon A. Romero  
Vice President
