Re: McDonald State "WN" No. 32
NE/4 Section 35
T-22-S, R-36-E
Lea County, New Mexico
1. Reactivation of 160-
acre Non-Standard
Jalmat (Gas)
2. Notice of Section 103
Infill Application

Gentlemen:

In the near future, we plan to file NMOCDD forms C-101 and C-102 with the District I office of the New Mexico Oil Conservation Division for permission to drill a new Jalmat gas well as a Section 103 infill well at a standard Jalmat location consisting of 860' FNL and 660' FEL Section 35, T-22-S, R-36-E, Lea County, New Mexico.

The subject well will be drilled on a previously existing 160-acre non-standard Jalmat (Gas) proration unit comprised of the NE/4 Section 35, T-22-S, R-36-E, Lea County, New Mexico. The NE/4 Section 35 is currently non-producing, but was previously dedicated to ARCO Oil and Gas Company's McDonald WN State No. 7 (A-35-22S-37E) which is a Jalmat (Gas) well that last produced in September, 1975. Upon the drilling and completion of the newly proposed McDonald "WN" State No. 32, the proposed McDonald "WN" State No. 32 will be dedicated to the previously existing 160-acre proration unit consisting of NE/4 Section 35. Therefore, we hereby file for administrative approval to dedicate the new infill well (McDonald "WN" State No. 32) to the previously existing, but currently non-productive non-standard Jalmat (Gas) proration unit consisting of NE/4 Section 35, T-22-S, R-36-E, Lea County, New Mexico.

Furthermore, if the proposed well is completed as a commercial producer and in compliance with the Natural Gas Policy Act of 1978, an application will be submitted to the New Mexico Oil Conservation Division to obtain administrative approval for the well as a Section 103 infill well.

New Mexico Oil Conservation Division
February 20, 1985
Page 2

Three copies of a land plat showing the location of the original Jalmat (Gas) well on the 160-acre non-standard proration unit plus the newly proposed infill well are also enclosed.

Complete copies of this application have been sent by certified mail to all offsetting parties owning Jalmat (Gas) rights. The following is a list of the offsetting Jalmat gas operators:
