A P P L I C A T I O N

COMES NOW GULF OIL EXPLORATION AND PRODUCTION COMPANY and applies to the Oil Conservation Division of New Mexico for an amendment to Order R-7924 approving an unorthodox gas well location 1440 feet from the North line and 1310 feet from the West line of Section 15, Township 21 South, Range 36 East, Eumont Gas Pool, Lea County, New Mexico, and in support thereof would show:

1. Applicant has the right to drill and develop the W/2 of Section 15, Township 21 South, Range 36 East, NMPM.

2. Applicant has drilled a well to test the Eumont Gas Pool at a location 1440 feet from the North line and 1310 feet from the West line of Section 15, Township 21 South, Range 36 East, NMPM, based upon verbal approval of the Director, Oil Conservation Division.

3. The subject well is more unorthodox than is allowed by Order R-7924 because of surface obstructions at the previously approved location.
