Dear Mr. Stogner:

The above cases were heard on February 19, 1986. The sole force-pooler is Nu-Energy Oil & Gas, Inc. of Vancouver, British Columbia, Canada. Although various notices were sent to Nu-Energy, apparently none were ever sent by certified mail. Therefore, I wrote a letter dated March 4, 1986, notifying Nu-Energy of the February 19 hearings, and requesting Nu-Energy to notify the OCD of any objections it had to the compulsory pooling hearings. This letter was hand delivered to Nu-Energy on March 11, 1986, as evidenced by the original Certificate of Service and invoice enclosed herewith.

If Nu-Energy has not voiced any objection to the above cases by now, we respectfully request that the OCD enter its orders in the above cases.

Please call me if you have any questions.

Very truly yours,

Re: Three applications of The Petroleum
Corporation of Delaware for compulsory
pooling, Eddy County, New Mexico, U.S.A.

Dear Mr. Davidson:

The records of The Petroleum Corporation of Delaware indicate that Nu-Energy Oil & Gas, Inc. owns an undivided 2.5% oil and gas leasehold interest in the following described property:

the SE $\frac{1}{4}$ SW $\frac{1}{4}$ § 12;
the NE $\frac{1}{4}$ SW $\frac{1}{4}$ § 12; and
the SW $\frac{1}{4}$ NW $\frac{1}{4}$ § 12;

All in Township 26 South, Range 29 East,
N.M.P.M., Eddy County, New Mexico, U.S.A.

During the past several months Mr. Fred Ward of The Petroleum Corporation of Delaware has been in contact with you regarding committing these interests to the drilling of oil wells on the described land. However, Nu-Energy has refused to commit its interests.

As a result, The Petroleum Corporation of Delaware filed three applications for compulsory pooling with the New Mexico Oil Conservation Division. Copies of these applications are enclosed. These cases were consolidated for hearing and were heard on February 19, 1986, as indicated by my letter of January 30, 1986, (copy enclosed), a copy of which was sent to you.

Please notify the New Mexico Oil Conservation Division (Attention: Mr. Michael Stogner), P. O. Box 2088, Santa Fe, New Mexico 87501 U.S.A. of any objections you may have regarding the hearings on these three applications. Please make your objections in writing within 10 days of receiving this letter.

APPLICATION

The Petroleum Corporation of Delaware, by its undersigned attorneys, hereby makes application for an Order pooling all interests underlying the NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 12, Township 26 South, Range 29 East, N.M.P.M., Eddy County, New Mexico for all depths from 3,500 feet beneath the surface of the earth down to 5,600 feet beneath the surface of the earth, and in support thereof would show:

1. Applicant was entitled to proceed with the drilling of a well located in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 12, Township 26 South, Range 29 East, N.M.P.M., Eddy County, New Mexico, under the authority of Applicant's ownership of an oil and gas leasehold interest therein.

2. Applicant is in the process of drilling a well at a legal location in said NE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 12, to a depth of 5,500 feet to test the Cherry Canyon Formation. Applicant has requested the party listed on the attached schedule as owner of an undivided interest to agree to participate in the drilling of said well or to farmout or otherwise commit their interest to said well, but the party so far has refused to do so.

3. Applicant seeks that the Division consider the cost of drilling and completing said well and the allocation of the cost thereof as well as actual operating costs and charge for supervision, designation of Applicant as operator of the well, and a charge for risk involved in drilling said well.

4. The pooling of all interests in NE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 12, for all depths from 3,500 feet beneath the surface of the earth down to 5,600 feet beneath the surface of the earth, is in the interest of conservation and will prevent waste and protect correlative rights.

5. Applicant respectfully requests the setting of this matter before an Examiner at the first available hearing.

Dated this 14th day of January 1986.
