MR. LEMAY: We're going to start by calling some of these cases out of order a little bit. I want to call Case Number 8863. That's the case where Alana Oil and Gas Corporation vacate or modify Division Order No. R-8210.

Along with that Case 8864 and Case 9074, all cases presented by either Suntex or Alana.

Is anyone here to represent Alana or Suntex in those cases?

For the record, I had a call two days ago. Mr. Bruce was representing the client in that case and we did run a continuance until this hearing for presentation of those cases. No one being present, they -- over the telephone a denial of continuance was issued, so without anyone here to represent those interests we shall dismiss those cases.

Is there anyone here to oppose that? If not, those cases will be dismissed.

(Hearing concluded.)
