Re: Cases #8963, #8964 & #8965
Docket #23-86
Examiner Hearing - August 6, 1986
Oil Conservation Division

Gentlemen:

Please be advised that Meridian Oil would appreciate receiving a copy of the application in the above referenced cases which are more fully described below:

Case 8963:

Application of Mesa Grande Resources, Inc., for compulsory pooling, Rio Arriba County, New Mexico. Applicant, in the above-styled cause, seeks an order pooling all mineral interests in the Gavilan-Mancos and Gavilan Greenhorn-Graneros-Dakota Oil Pools underlying the W/2 of Sec. 16, T25N, R2W, to be dedicated to a well to be drilled at a standard location thereon. Also to be considered will be the cost of drilling and completing said well and the allocation of the cost thereof as well as actual operating costs and charges for supervision, designation of applicant as operator of the well and a charge for risk involved in drilling said well.

Case 8964:

Application of Mesa Grande Resources, Inc., for compulsory pooling, Rio Arriba County, New Mexico. Applicant, in the above-styled cause, seeks an order pooling all mineral interests in the Gavilan-Mancos and Gavilan Greenhorn-Graneros-Dakota Oil Pools underlying the E/2 of Sec. 23, T25N, R2W, to be dedicated to a well to be drilled at a standard location thereon. Also to be considered will be the cost of drilling and completing said well and the allocation of the cost thereof as well as actual operating costs and charges for supervision, designation of applicant as operator of the well and a charge for risk involved in drilling said well.
