MR. CATANACH: Call Case 9129, which is the application of Virginia Uhden, Helen Orbesen, adn Carroll Holmberg to vacate Division Order Nos. R-7588 and R-7588-A, and/or for the formation of six 160-acre gas proration units, San Juan County, New Mexico.

This case was heard also January 20th and had to be readvertised for today.

Is there going to be any additional testimony or anything else in this case at this time?

If not, we're still waiting for some briefs to be submitted. As soon as the briefs arrive, I guess, the end of the week, I guess, we'll take the case under advisement at that time.

(Hearing concluded.)
