Dear Mike:

enclosed herewith please find, executed in triplicate, the
following Application:

As we discussed, please consider this carefully and then
give me a call. I would appreciate your help in the language of

TO: Evelyn Downs
FROM: Michael E. Stogner
SUBJECT: Order No. R-8480,
Damson Oil Company
DATE: August 25, 1987

A handwritten signature in dark ink, appearing to read "M.E. Stogner", written over the "FROM" line of the memorandum.

How does this new Ordering Paragraph No. (4) look to you:

"(4) Effective immediately the applicant is authorized to make up the overproduction which has accumulated on this well, at a rate in excess of its 142 barrels per day allowable, since January 24, 1987 by producing the well at a rate not to exceed 100 barrels per day until such time as said overproduction has been eliminated."

Please make any additional changes you feel would better clarify this statement.

Thanks.

Faint handwritten notes and stamps in the bottom right corner of the page, including what appears to be a date "8/25/87" and some illegible scribbles.
