Gentlemen:

This letter is to advise you that Texaco Producing Inc. has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for a well to be drilled at a location 1350 feet from the South line and 2410 feet from the East line of Section 32, Township 16 South, Range 37 East, N.M.P.M., Lea County, New Mexico. This well will be drilled within one mile of the Shipp-Strawn Field, and the W/2 SE/4 Section 32 will be dedicated to the well.

This application has been set for a hearing before a Division Examiner on January 20, 1988. You are not required to attend this hearing, but as an offsetting interest owner, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.
