T18S, R33E, Sec. 26: N/2  
Lea County, New Mexico

Dear Mr. Morganthaler:

As we discussed by telephone, it is Santa Fe Exploration's desire to participate in the drilling of the above captioned well to the extent of our interest in the north half proration unit (320 acres), subject to an acceptable operating agreement and a current AFE. We understand this well will be drilling within 90 days.

Sincerely,

  
William A. McAlpine, Jr.

WAM/lrs
