MR. CATANACH: Call next Case 9356, which is in the matter of the hearing called by the Oil Conservation Division on its own motion to consider amending the Special Rules For Applications For Wellhead Price Ceiling Category Determinations pursuant to the Natural Gas Policy Act of 1978, as promulgated by Division Order No. R-5878-B, as amended, by revising Form C-132 and C-132-A to reflect the department name change.

Are there appearances in this case?

MR. ROYBAL: Mr. Examiner, Charles Roybal for the Oil Conservation Division. I have one witness.

MR. CATANACH: Are there any other appearances?

Will the witness please stand and be sworn in?

(Witness sworn.)

MR. CATANACH: You may proceed.

1                                   MICHAEL E. STOGNER,  
2 being called as a witness and being duly sworn upon his  
3 oath, testified as follows, to-wit:

## DIRECT EXAMINATION

6

BY MR. ROYBAL:

7

Q                   Will you please state your name, by whom  
8 you're employed, and in what capacity?

9

A                   I'm Michael E. Stogner, petroleum  
10 engineer here in Santa Fe with the New Mexico Oil  
11 Conservation Division.

12

Q                   Mr. Stogner, have you prepared any  
13 exhibits in this matter?

14

A                   Yes, yes, I have. I've got a package of  
15 exhibits with four exhibits.

16

Q                   Will you please describe those exhibits  
17 for the hearing examiner?

18

A                   I'll refer first to Exhibit Number Three,  
19 which is the -- a copy of the statutes which describes the  
20 name change from the Energy and Minerals Department to the  
21 Energy, Minerals and Natural Resources Department, and this  
22 hearing is -- today is to change two forms, those being the  
23 Application for Wellhead Price Ceiling Category Determina-  
24 tions and Application for Continued Stripper Classifications  
25 under the NGPA. I'll refer to Exhibits Number One and Two,

1 being those two forms, to reflect the name change of the De-  
2 partment on these. The name change occurred during the 38th  
3 State Legislature of New Mexico in its first session under  
4 -- enacted under Chapter 234, known as the Energy, Minerals  
5 and Natural Resources Department Act, and made effective  
6 July 1st, 1987, and that's all that I proposed today on  
7 these two forms.

8 Q Mr. Stogner, then the changes in Exhibits  
9 One and Two are made necessary by the statutory change found  
10 in Exhibit Three, is that correct?

11 A That is correct.

12 MR. ROYBAL: Mr. Hearing Exam-  
13 iner, I move the admission of Exhibits One, Two and Three in  
14 this matter. And Four.

15 A Exhibit Number Four is a proposed rough  
16 draft copy of the order I prepared for the hearing officer.

17 Q Thank you, Mr. Stogner.

18 MR. CATANACH: Thank you. Ex-  
19 hibits One through Four will be admitted into evidence at  
20 this time.

21 Are there any questions of this  
22 witness?

23 If not, he may be excused, and  
24 if there is nothing further in Case 9356, it will be taken  
25 under advisement.
