

TABLE OF CONTENTS

A. Introduction

Exhibit 3 - North Dagger Draw Location Map

B. Production History Justification for Increased Well Density

Exhibit 4 - Initial & Cumulative Production Map

Exhibit 5 - Barbara Federal #1 Production Curve

Exhibit 6 - Barbara Federal #6 Production Curve

Exhibit 7 - Barbara Federal #1 & #9 Production Curves

Exhibit 8 - Barbara Federal #6 & #8 Production Curves

C. Pressure History Justification for Increased Well Density

Exhibit 9 - Bottomhole Pressure Map

D. Volumetric Estimate Justification for Increased Well Density

Exhibit 10 - 160-Acre Drainage Patterns

Exhibit 11 - Barbara Federal #1 & #9 Cross Section

Exhibit 12 - Barbara Federal #8 Imaging Log

Exhibit 13 - Volumetric Reserve Calculations

Exhibit 14 - 60-Acre Drainage Patterns

E. Additional Examples to Justify Increased Well Density

Exhibit 15 - Parish IV Com #3 Completion Example

Exhibit 16 - Dagger Draw #1 Production Curve
