Corporation's David Ross "AIT" State #1,  
Unit H, Section 35, T22S, R31E,  
Eddy County, New Mexico

Dear Mr. LeMay

On behalf of Mitchell Energy Corporation, I  
request that the Oil Conservation Division issue the  
enclosed Subpoena to Yates Petroleum Corporation.

Mitchell Energy Corporation is a working interest  
owner in the acreage within 1/2 mile of the subject of  
this application and these documents are necessary to  
prepare our case in opposition to Yates Petroleum  
Corporation's application.

This case is currently scheduled for hearing on  
May 16, 1991 before the Division. If we receive the  
information covered by this subpoena, we will need at  
least two additional weeks to review this data and  
prepare our case. We, therefore, request that the  
hearing on May 16, 1991, be called for the purpose of  
production of data and that the case be continued to  
the May 30, 1991 docket for hearing on the merits.
