FOR THE NEW MEXICO OIL CONSERVATION DIVISION:

ROBERT G. STOVALL, ESQ.  
General Counsel  
State Land Office Building  
Santa Fe, New Mexico 87504

FOR THE APPLICANT:

(No Appearance)

1           CHAIRMAN LEMAY: Good morning. This is  
2 the Oil Conservation Commission. To my left is  
3 Commissioner Bill Weiss; to my right,  
4 Commissioner Jami Bailey representing the  
5 Commissioner of Public Lands.

6           We shall start with the consideration  
7 of Case No. 10444, which is the application of  
8 Amerada Hess Corporation for pool contraction,  
9 pool creation and promulgation of special pool  
10 rules, Lea County, New Mexico.

11           MR. STOVALL: Mr. Chairman, I've had  
12 communication with the attorney for Amerada  
13 Hess. This is a de novo application brought on  
14 the denial of a granting of special rules.

15           The denial by the Examiner was based  
16 upon lack of supporting evidence.

17           I've been advised by the attorney for  
18 the Applicant that they have determined, rather  
19 than bring this de novo, they will develop the  
20 data and refile this application with the  
21 Examiner when they feel they have supporting  
22 data, and therefore request this case be  
23 dismissed.

24           CHAIRMAN LEMAY: Is there anyone that  
25 objects to the dismissal of Case No. 10444?
