Re: Notice of Hearing - Unorthodox Location - Mojave "AJY" Com #1  
Section 35: All, Township 20-1/2 South, Range 23 East, N.M.P.M.  
Eddy County, New Mexico  
Rule 104, Well Spacing (F) Unorthodox Locations

This law firm represents Yates Petroleum Corporation in connection with its application to the Oil Conservation Division for approval of an unorthodox location. This letter is to serve as official notice that it is the intent of Yates Petroleum Corporation (Applicant) to complete a well drilled 990 F.N.L. and 660 F.E.L. of Section 35, Township 20-1/2 South, Range 23 East, N.M.P.M., Eddy County, New Mexico in the Morrow Formation. This well is an offset to Conoco, Inc. leases.

As required by Rule 1207(5) of the State of New Mexico, Energy and Minerals Department, Oil Conservation Division, notice must be given to offset operators. Therefore, please be advised that the hearing is to be held in Santa Fe at the Oil Conservation Division Conference Room on March 19, 1992 at 8:30 a.m. before an OCD Examiner. A number and style of this case will be assigned at a later date and will be forwarded to you upon receipt.

It is requested that Conoco, Inc. consent to the unorthodox location of a Morrow Formation and waive its right to appearance in said hearing. Should this meet with your approval, please sign in the space provided below and return to the above address. Thank you for your cooperation and assistance.

Yours very truly,

SANDERS, BRUIN, COLL &amp; WORLEY, P. A.
