STATEMENT OF CASE

APPLICANT

Warrior, Inc. ("Warrior"), Applicant, is the operator of a leasehold waterflood project in the Eumont Oil Pool consisting of the W/2 of Section 26 and the NE/4 of Section 27, Township 27 South, Range 36 East, NMPM.

On August 7, 1991, the Division approved a one-well injection program for the project with the injection well located in the approximate center of the NE/4 of said Section 27.

Now, Warrior seeks to drill a producing well in the approximate center of the SW/4 of said Section 26 equidistant from the four (4) current producers operating in the Section. If the well is not commercial in the Eumont Oil Pool, then Warrior will have placed the well at the optimum location for use as an injection well.

Warrior has notified all offsetting interest owners and is not aware of any opposition to this Application.
