For the Applicant:

1
2 MR. STAMETS: The hearing will
3 please come to order.

4 Before we start today, I'd like
5 to do a little housekeeping. I have been requested to allow
6 the Petro Thermo case not to begin until after lunch, and
7 based on what I've heard about the length of one or two of
8 the cases we have at the beginning, I think that will be
9 fine.

10 So if you're here for Petro
11 Thermo, Case 8781, you can excuse yourself until after lunch
12 if you so desire.

13 And with that, then, I think I
14 will go back and call those cases which are to be dismissed
15 or continued and those cases to be dismissed on the first
16 page of the docket include Case 8219 and 8220 for Dinero,
17 Hardship Gas Well; Case 8712 for a Hardship Gas Well for
18 Kimbell.

19 On the second page the top
20 case, 8778, John Yuronka salt water disposal well, and next
21 to the last, Case 8796, the Rio Pecos application.

22 All of these will be dismissed
23 upon the request of the applicant.

24 Two other cases will be contin-
25 ued to the May 20th Commission Hearing. Those include Case

1 8690, the Hartman application, and Case 8783, the TXO appli-
2 cation.

3 That will be May the 20th. We
4 have set aside May the 20th and May the 21st for the next
5 Commission Hearing.
