Re: Eastland Oil Company
Application to Amend Division Order R-8165
Power Grayburg Waterflood Project

Dear Mr. Stamets:

On behalf of Eastland Oil Company on April 1, 1986, we filed an administrative application to have the location of certain injection wells changed and to amend Division Order R-8165 which originally approved this waterflood project.

We have been advised by Mr. Stogner, of the Division, that he desires that the administrative application be set for an Examiner hearing on May 14, 1986.

In accordance with that desire, please consider this letter our written application to have this matter heard on May 14, 1986.

By copy of this letter we are notifying all offset operators and surface owners at injection well locations that this case will be heard at the May 14, 1986, hearing and that they may appear at this hearing and participate if they desire. All said parties previously have received a copy of the C-108 and attachments.

Very truly yours,

W. Thomas Kellahin
