MR. STOGNER: This hearing will  
come to order.

We'll call next Case Number  
8937.

MR. TAYLOR: Application of  
Mobil Producing Texas and New Mexico, Incorporated, for an  
unorthodox oil well location, Eddy County, New Mexico.

MR. CARR: May it please the  
Examiner, my name is William F. Carr, with the law firm  
Campbell & Black, P. A., of Santa Fe.

We represent Mobil in this  
matter.

We originally filed for an  
unorthodox location because the BLM had required Mobil to  
move the well 100 feet to get out of a drainage area.

Because of opposition from  
Metex Pipe and Supply we've re-approached the BLM and I've  
been advised that they have just recently re-issued the  
permit as long as we can maintain the natural drainage on  
the property, which we can do, and therefore we will move  
the well back to an orthodox location and dismiss this case.

MR. STOGNER: In other words,  
you wish 8937 to be dismissed?

MR. CARR: Yes, sir.

1 MR. STOGNER: Thank you. Case  
2 Number 8937 at the applicant's request will be dismissed.
