Re: Application for Non-Standard Oil Proration Unit  
Hixon Development Company  
San Juan County, New Mexico

*Case No.  
9040*

Gentlemen:

Hixon Development Company hereby applies for an Order of the New Mexico Oil Conservation Division approving an eighty (80) acre non-standard oil spacing and proration unit comprising the E/2 NW/4 of Section 31, Township 25 North, Range 11 West, N.M.P.M., Bisti Lower Gallup Oil Pool, to be dedicated to a well to be drilled at a standard location 990' from the north line and 1980' from the west line of said Section 31.

This application was verbally conveyed to the Santa Fe office of the New Mexico Oil Conservation Division on October 30, 1986. I was advised, at that time, that this application would be placed on the November 19, 1986 docket of the New Mexico Oil Conservation Division and that it would be heard on that date in Santa Fe, New Mexico.

Please advise should you require any additional information.

Sincerely,

*Administrative Order NSP-1654*

Dear Ms. Deventhal:

Reference is made to your application dated November 2, 1992 for an exception to Rule 2 of the Special Rules and Regulations for the Bisti-Lower Gallup Oil Pool, as promulgated by Division Order No. R-1069-B, which spaces said pool on 80-acre units but limits their designation to within the N/2 or S/2 of a governmental quarter-section, for the creation of an 80.53-acre non-standard oil proration unit comprising Lots 1 and 2 (W/2 NW/4 equivalent) of Section 31, Township 25 North, Range 11 West, NMPM, San Juan County, New Mexico. Said unit to be dedicated to your E. L. (Federal) Well No. 1 to be drilled at a standard oil well location in Unit D of said Section 31.

It is our understanding that this request is necessary to off-set an existing 80-acre oil proration unit comprising the E/2 NW/4 of said Section 31 which was authorized by Division Order No. R-8354, as amended.

By authority granted me under the provisions of Division General Rule 104.D. and Division Memorandum 4-86, the above non-standard oil proration unit is hereby approved.

Sincerely,

William J. LeMay  
Director
