Re: Application of Amerind Oil Company for Compulsory
Pooling, Lea County, New Mexico

Dear Sirs:

This letter is to advise you that Amerind Oil Company has filed an application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in the Atoka and Strawn formations, in and under the W/2 SW/4 of Section 27, Township 16 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Amerind Oil Company proposes to dedicate the referenced pooled unit to a well to be located at a standard location in the NW/4 SW/4 of said Section 27.

This application has been set for hearing before a Division Examiner on September 9, 1987. You are not required to attend this hearing, but as an owner that has an interest which may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging this application at a later date.

Very truly yours,

WILLIAM F. CARR
ATTORNEY FOR AMERIND OIL COMPANY

WFC/mlh

BEFORE THE
OIL CONSERVATION DIVISION
NEW MEXICO DEPARTMENT OF ENERGY, MINERALS,
AND NATURAL RESOURCES

RECEIVED

AUG 18 1987

OIL CONSERVATION DIVISION

IN THE MATTER OF THE APPLICATION OF
AMERIND OIL COMPANY FOR COMPULSORY
POOLING, LEA COUNTY, NEW MEXICO.

CASE NO. _____

APPLICATION

COMES NOW AMERIND OIL COMPANY, by and through its undersigned attorneys, and as provided by Section 70-2-17, N.M.S.A. (1978), hereby makes application for an order pooling all of the mineral interests in the Strawn and Atoka formations in and under the W/2 SW/4 of Section 27, Township 16 South, Range 37 East, N.M.P.M., Lea County, New Mexico, and in support thereof would show the Division:

1. Applicant owns approximately 91% of the working interest in and under the W/2 SW/4 of Section 27, and Applicant has the right to drill thereon.

2. Applicant proposes to dedicate the above-referenced pooled unit to a well to be located at a standard location in the NW/4 SW/4 of said Section 27.

3. Applicant has sought and obtained either voluntary agreement for pooling or farmout from all other interest owners in the W/2 SW/4 of said Section 27, except for the interest owners identified on Exhibit A to this application.

4. Said pooling of interests will avoid the drilling of unnecessary wells, will prevent waste and will protect correlative rights.

5. In order to permit the Applicant to obtain its just and fair share of the oil and gas underlying the subject lands, the mineral interests should be pooled, and Applicant should be designated the operator of the well to be drilled.

WHEREFORE, Applicant prays that this application be set for hearing before a duly appointed examiner of the Oil Conservation Division on September 9, 1987, and that after notice and hearing as required by law, the Division enter its order pooling the lands, including provisions for Applicant to recover its costs of drilling, equipping and completing the well, its costs of supervision while drilling and after completion, including overhead charges, and imposing a risk factor for the risk assumed by the Applicant in drilling, completing and equipping the well, and making such other and further provisions as may be proper in the premises.

Respectfully submitted,

CAMPBELL & BLACK, P.A.
