Re: Forced Pooling Agreement
City of Farmington Com Well #1 & 1E
E/2- Sec. 10- T29N- R13W
San Juan County, New Mexico

Gentlemen:

The Commissioner of Public Lands approved the City of Farmington Com Wells #1 and #1E forced pooling orders OCD-R-8297 and R-8565 on August 5, 1988 for the Dakota formation in the east half of Section 10, Township 29 North, Range 13 West, San Juan County, New Mexico.

Production from these wells in the Basin Dakota pool was last reported in April 1991; no shut-in royalty on State lease V-2048 was tendered in a timely manner.

Please be advised that commitment of State lands to the City of Farmington Com Wells #1 & #1E forced pooling orders was terminated effective April 30, 1991, the last day of the month for which production from the pooled formation was reported.

If you have any questions, please do not hesitate to call Jami Bailey at (505) 827-5745.

Sincerely,
JIM BACA
