Re: Case No. 9396; Application of BCO, Inc.;  
De Novo Proceeding

Dear Mr. Lemay:

Please consider this letter a notice of dismissal of the above-referenced matter in that under existing pool rules, the well has been classified as a gas well and therefore the application for a non-standard proration unit is not necessary.

Thank you for your and your staff's handling of this matter.

Very truly yours,

Ernest L. Padilla
