Re: Application of Nearburg Producing Company for an
Non-Standard Proration Unit and Unorthodox Gas
Well Location, Lea County, New Mexico.

Dear Sirs:

This letter is to advise you that Nearburg Producing Company has filed an application with the New Mexico Oil Conservation Division seeking a non-standard proration unit consisting of the W/2 NW/4 of Section 30, Township 16 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Nearburg Producing Company proposes to dedicate the non-standard proration unit to its Soledad State 30 D Well #1 located at an unorthodox location 330 feet from the North and West lines of said Section 30. Nearburg Producing Company also seeks approval of the well's unorthodox location in the Strawn formation, Northeast Lovington Pennsylvanian Pool.

This application has been set for hearing before a Division Examiner on June 8, 1988. You are not required to attend this hearing, but as an owner of an interest that may be subject to the non-standard proration unit or affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging this application at a later date.

Very truly yours,

WILLIAM F. CARR

Well Location, Lea County, New Mexico.

Dear Sirs:

This letter is to advise you that Nearburg Producing Company has filed an application with the New Mexico Oil Conservation Division seeking a non-standard proration unit consisting of the W/2 NW/4 of Section 30, Township 16 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Nearburg Producing Company proposes to dedicate the non-standard proration unit to its Soledad State 30 D Well #1 located at an unorthodox location 330 feet from the North and West lines of said Section 30. Nearburg Producing Company also seeks approval of the well's unorthodox location in the Strawn formation, Northeast Lovington Pennsylvanian Pool.

This application has been set for hearing before a Division Examiner on June 8, 1988. You are not required to attend this hearing, but as an owner of an interest that may be subject to the non-standard proration unit or affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging this application at a later date.

Very truly yours,

WILLIAM F. CARR
