CASE NO. <u>10485 &amp; 10486</u>

Dear Mr. Kellahin:

This office has reviewed the unexecuted copy of unit agreement for the proposed Vacuum Glorieta East Unit, Lea County, New Mexico which you have submitted on behalf of Phillips Petroleum Company. This agreement meets the general requirements of the Commissioner of Public Lands and has this date granted you preliminary approval as to form and content.

According to your application, it is our understanding that the fresh water makeup required will be used primarily in the first four years of the waterflood development, when the reservoir is undergoing the critical phase of repressurization. Our preliminary approval is given with the condition that not more than 6,600,000 barrels of fresh water makeup be used in the waterflood.

Preliminary approval shall not be construed to mean final approval of this agreement in any way and will not extend any short term leases until final approval and an effective date are given.

When submitting your agreement for final approval, please submit the following:

1. Application for final approval by the Commissioner setting forth the tracts that have been committed and the tracts that have not been committed.
2. The filing fee in the amount of \$300.00. The filing fee for a unit agreement is thirty (\$30.00) dollars for every section or partial section thereof.
3. Two copies of the Unit Agreement.
4. All ratifications from Lessees of Record and Working Interest Owners. All signatures should be acknowledged before a notary. One set of ratifications must contain original signatures.

5. Initial Plan of Operation.
6. Order of the New Mexico Oil Conservation Division. Our approval will be conditioned upon subsequent favorable approval by the New Mexico Oil Conservation Division.
7. A copy of the Unit Operating Agreement.

In addition, we have also taken the liberty of reviewing the unexecuted copy of the Vacuum Glorieta East Unit Agreement which was also submitted with your application and would like to point out the following corrections:

- A. On Exhibits "A" and "B", Tract No. 5, the correct lessee of record should be Atlantic Richfield Company.
