Re: Case No. 2031  
South Caprock Queen Unit  
Chaves County, New Mexico

Copies of Ratification of  
Agreements

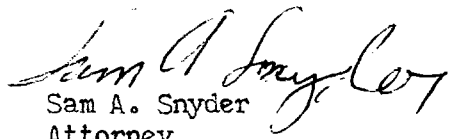

Gentlemen:

In connection with the captioned Unit which was approved by you by your Order No. R-1728 and was subsequently approved by the Commissioner of Public Lands for the State of New Mexico and by the Director of the United States Geological Survey and was effective at 7:00 A.M. Rocky Mountain Standard Time on the 1st day of December, 1960, we are submitting herewith a copy of the Operating Agreement and copies of the Ratification and Joinder of the Unit Agreement and Ratification of the Unit Operating Agreement by the parties shown on the Index attached to such Agreement, which we believe will be self-explanatory. In compliance with the regulations of your office, we tender these instruments for filing.

We wish to take this opportunity to thank the New Mexico Oil Conservation Commission for its excellent guidance and cooperation in the formation of this Unit and to express to you our belief that your office not only regulates the production of oil and gas for the purposes of conservation but your active assistance to members of the industry actually is an affirmative step towards maximum utilization of the natural resources of the State of New Mexico, and it is most certainly a pleasure to do business with a regulatory body such as yours.

Yours very truly,

UNION OIL COMPANY OF CALIFORNIA
