

BEFORE THE OIL CONSERVATION COMMISSION
OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE HEARING
CALLED BY THE OIL CONSERVATION
COMMISSION OF NEW MEXICO FOR
THE PURPOSE OF CONSIDERING:

CASE No. 4415
Order No. R-4027

APPLICATION OF DEPCO, INC., FOR A
WATERFLOOD PROJECT, EDDY COUNTY,
NEW MEXICO.

ORDER OF THE COMMISSION

BY THE COMMISSION:

This cause came on for hearing at 9 a.m. on September 2, 1970,
at Santa Fe, New Mexico, before Examiner Elvis A. Utz.

NOW, on this 10th day of September, 1970, the Commission, a
quorum being present, having considered the testimony, the record, and
the recommendations of the Examiner, and being fully advised in the
premises,

FINDS:

(1) That due public notice having been given as required by law,
the Commission has jurisdiction of this cause and the subject matter
thereof.

(2) That the applicant, Depco, Inc., seeks authority to institute
a waterflood project in the Artesia Pool by the injection of water into
the Grayburg and San Andres formations through five injection wells in
Sections 27, 33, and 34, Township 18 South, Range 28 East, NMPM, Eddy
County, New Mexico.

(3) That the applicant further seeks an administrative procedure
whereby said project could be expanded to include additional lands and
injection wells in the area of the said project as may be necessary
in order to complete an efficient injection pattern; that said adminis-
trative procedure should provide for administrative approval for conver-
sion to water injection in exception to the well response requirements
of Rule 701 E-5 of the Commission Rules and Regulations.

(4) That the wells in the project area are in an advanced state
of depletion and should properly be classified as "stripper" wells.

(5) That the proposed waterflood project should result in
the recovery of otherwise unrecoverable oil, thereby preventing
waste.

CASE No. 4415
Order No. R-4027

(6) That the subject application should be approved and the project should be governed by the provisions of Rules 701, 702, and 703 of the Commission Rules and Regulations; provided, however, that the showing of well response as required by Rule 701 E-5 shall not be necessary before obtaining administrative approval for the conversion of additional wells to water injection.

(7) That Order No. R-3454, which previously authorized water injection for disposal into one of the subject wells, should be superseded.

IT IS THEREFORE ORDERED:

(1) That the applicant, Depco, Inc., is hereby authorized to institute a waterflood project in the Artesia Pool by the injection of water into the Grayburg and San Andres formations through the following-described wells in Township 18 South, Range 28 East, NMPM, Eddy County, New Mexico:

Depco State 647 Well No. 100 - Unit A - Section 27
Depco State 647 Well No. 82 - Unit F - Section 27
Depco State 647 Well No. 92 - Unit N - Section 27
Depco State 647 Well No. 207 - Unit I - Section 33
Depco State 647 Well No. 217 - Unit E - Section 34

(2) That the subject waterflood project is hereby designated the Depco Camp Artesia Waterflood Project and shall be governed by the provisions of Rules 701, 702, and 703 of the Commission Rules and Regulations;

PROVIDED HOWEVER, that the Secretary-Director of the Commission may approve expansion of the Depco Camp Artesia Waterflood Project on the State 647 Lease to include such additional lands and injection wells in the area of the project as may be necessary to complete an efficient water injection pattern; that the showing of well response as required by Rule 701 E-5 shall not be necessary before obtaining administrative approval for the conversion of additional wells to water injection.

(3) That monthly progress reports of the waterflood project herein authorized shall be submitted to the Commission in accordance with Rules 704 and 1120 of the Commission Rules and Regulations.

(4) That Order No. R-3454 is hereby superseded.

(5) That jurisdiction of this cause is retained for the entry of such further orders as the Commission may deem necessary.
