RE: 1990 Plan of Operations
Lusk 7 Rivers Unit
Lea County, New Mexico

Dear Mr. Lara:

Marbob Energy Corporation as unit operator of the Lusk 7 Rivers Unit submits this 1990 Plan of Operations on behalf of the working interest owners and in compliance with the Bureau of Land Management requirements.

There were no new wells drilled in 1989 and the status of all wells has remained the same throughout the year. There are six producing wells and two active water injection wells.

Only normal maintenance on existing producing and water injection wells is anticipated at this time for 1990. No new wells or workovers are planned.

All working interest owners under the Lusk 7 Rivers Unit have been provided with a copy of this Plan of Operations. Marbob Energy Corporation as unit operator, and the working interest owners believe that all current unit obligations and requirements have been met.

If this Plan of Operations meets with your approval, then we request that you so signify on the space provided below and return a copy of this plan to Marbob Energy Corporation in the self addressed envelope.

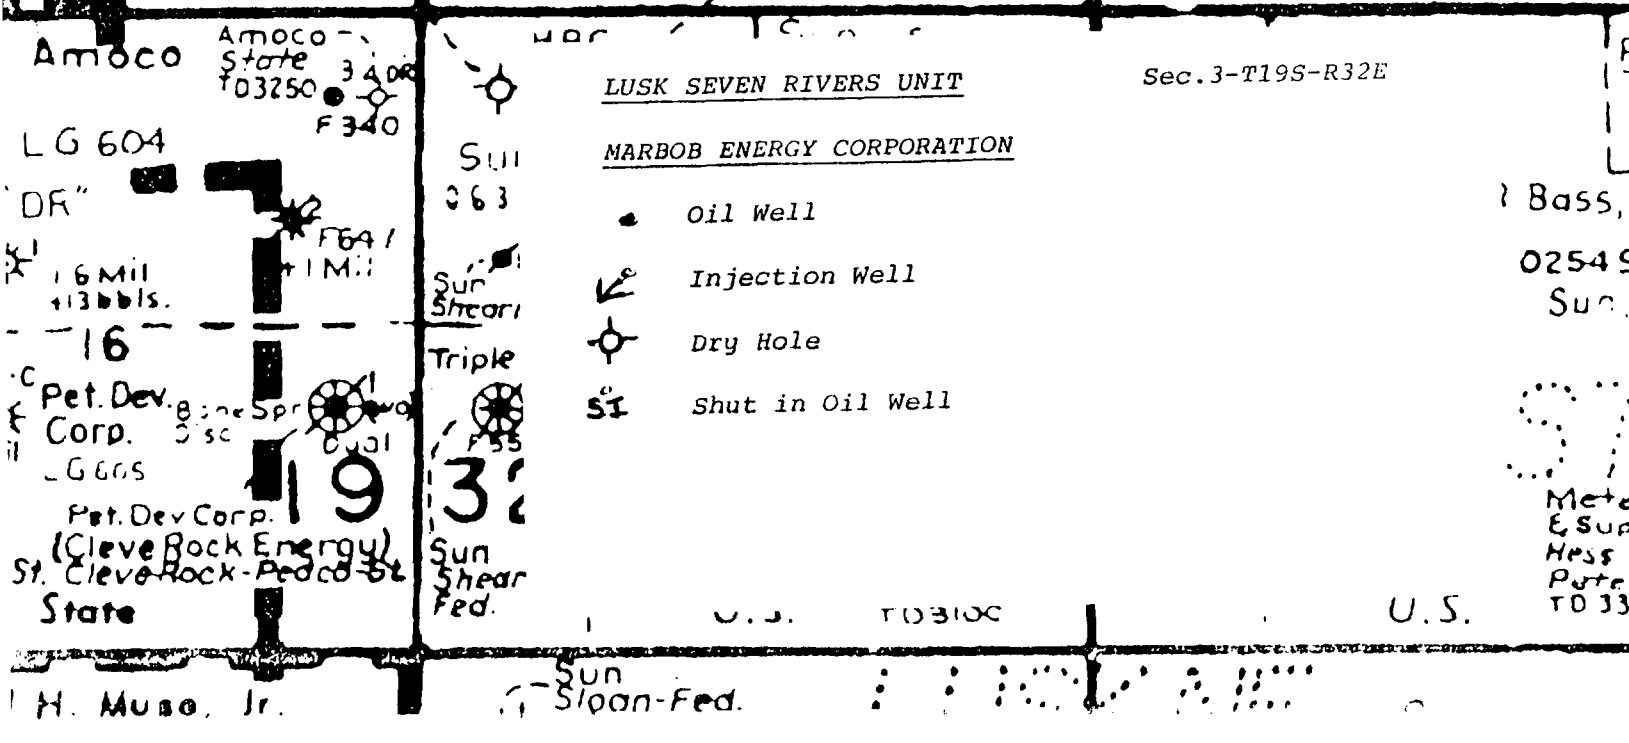

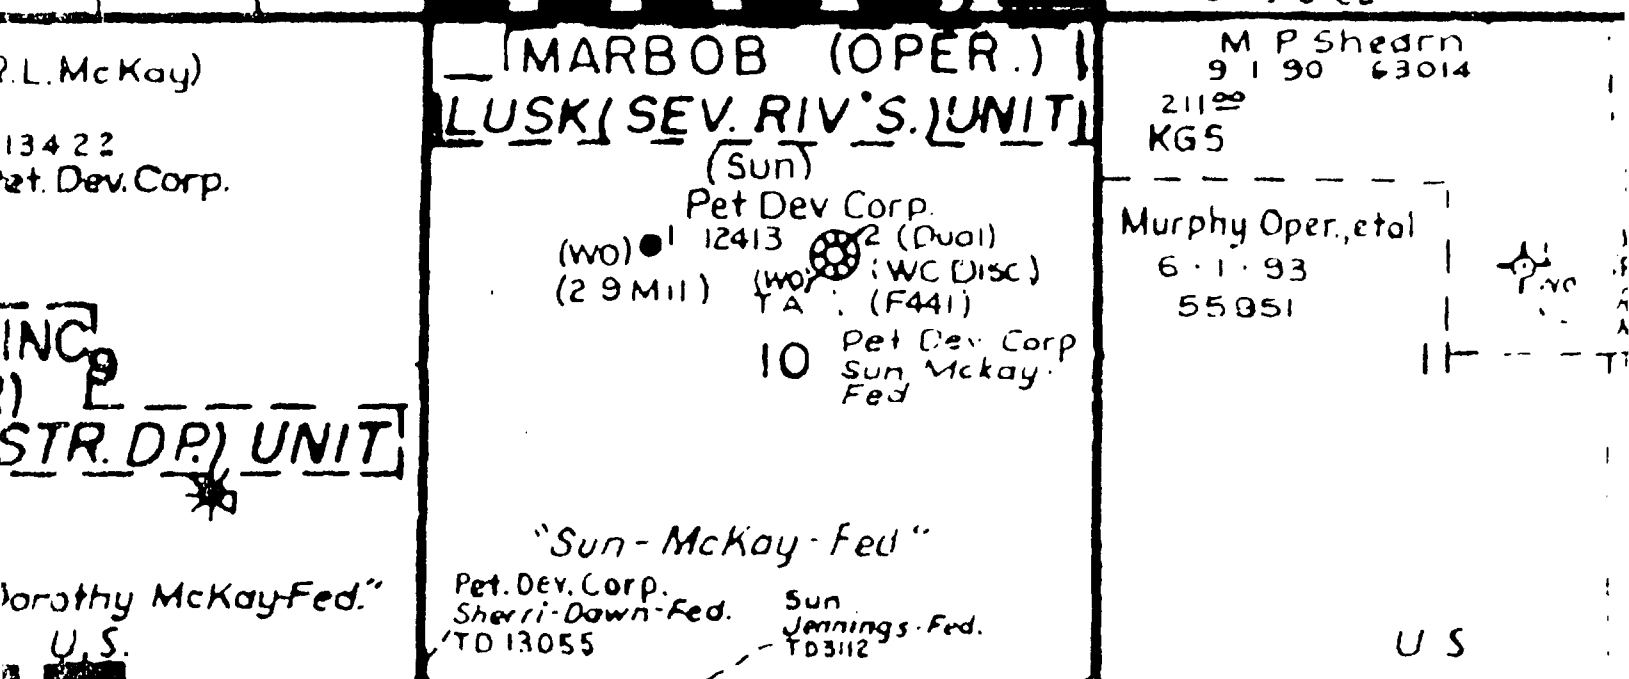

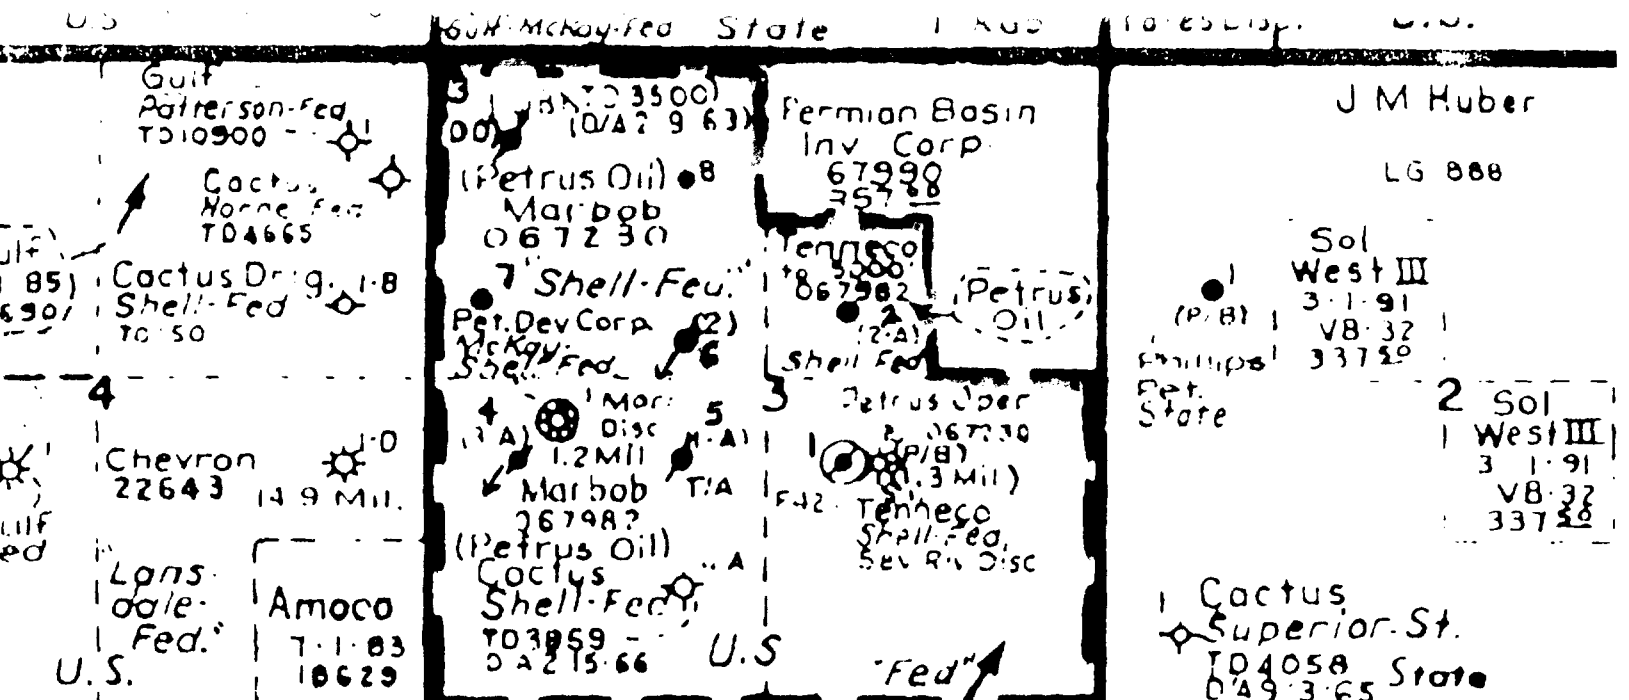

Sincerely,

David Martin
