CERTIFIED MAIL
RETURN RECEIPT REQUESTED

TO: SURFACE OWNERS AND LEASEHOLD OPERATORS WITHIN 1/2 MILE OF EACH PROPOSED INJECTION WELL IN THE EK PENROSE SAND UNIT AREA.

Re: Application of Seely Oil Company for approval of a waterflood project, and for qualification of the project for the Recovered Oil Tax Rate pursuant to the Enhanced Oil Recovery Act, Lea County, New Mexico.

Ladies and Gentlemen:

Enclosed is a copy of the application of Seely Oil Company (Oil Conservation Division Form C-108) in the above-referenced case for approval of a waterflood project in the proposed EK Penrose Sand Unit Area. Water will be injected into the unitized interval of the Penrose formation and the proposed waterflood project is fully described in the application.

This application has been set for hearing before a Division Examiner on November 14, 2002. You are not required to attend this hearing, but as an owner of the surface of the land upon which the injection well will be located, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-hearing Statement three days in advance of a scheduled hearing. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Very truly yours,

William F. Carr
Attorney for Seely oil Company
