Re: Unorthodox Location
East Pearl Queen Unit
T19S, R35E
Lea County, New Mexico

Gentlemen:

This letter shall serve as our request to have the following unorthodox location approved by your office.

#84: 165' FSL 10' FWL, Sec. 27

On the attached plat, you will note our location lies within the unit boundaries of the East Pearl Queen Unit. We offset ourselves on this location. We are requesting approval of this location because it will allow us to establish a more efficient waterflood pattern within the unit.

Should you have any questions, please call.

Sincerely,

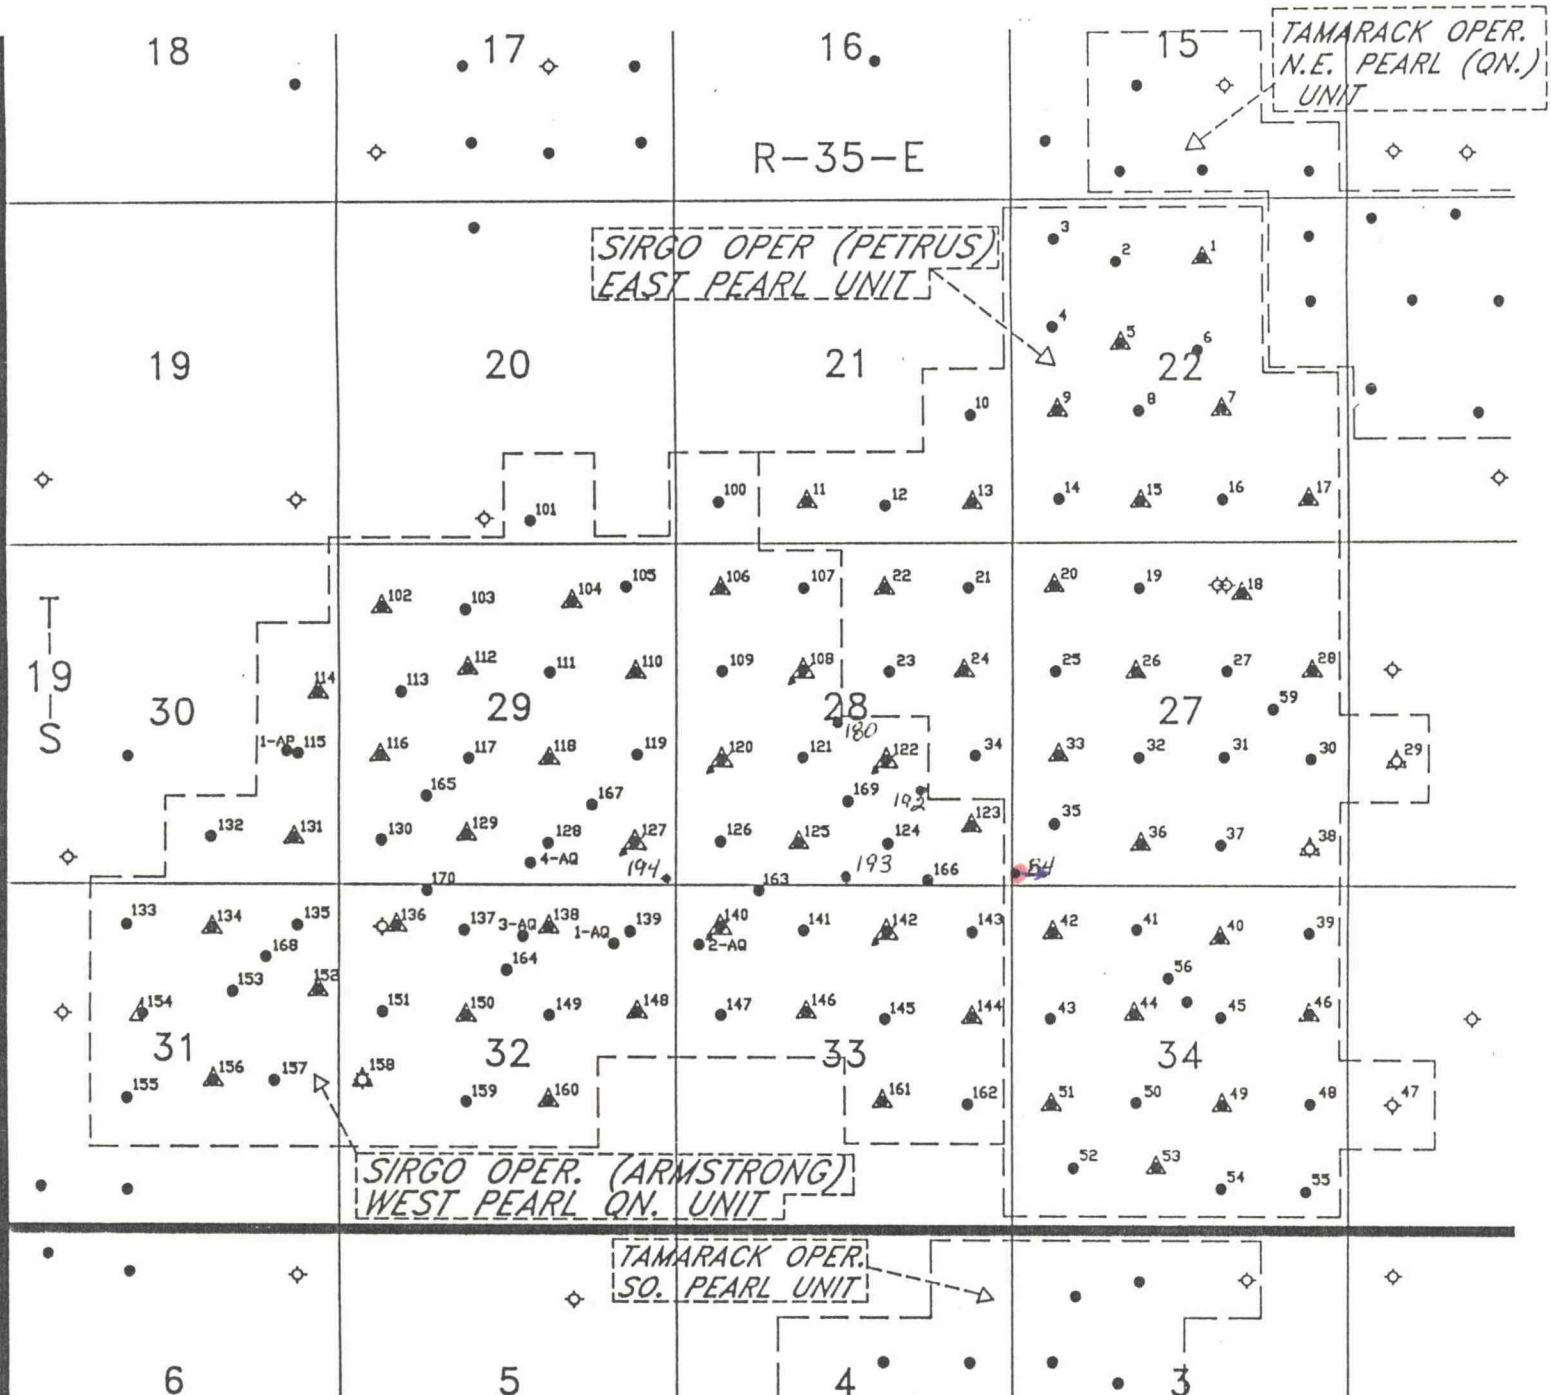

Bonnie Atwater
