*Case 9920*

Attention: Bonnie Atwater

RE: *Unorthodox oil well location, East Pearl Queen Unit Well No. 84; 165' FSL - 10' FWL (Unit M) Section 27, Township 19 South, Range 35 East, Pearl Queen Pool, Lea County, New Mexico.*

Dear Ms. Atwater:

I am unable to administratively approve the subject unorthodox oil well location at this time. General Rule 104.F.I. and Ordering Paragraph No. (2) of Division Order No. R-2538, as amended, do not provide a provision for administrative review of producing wells drilled closer than 990 feet to the outer boundary of the East Pearl Queen Unit (see copies of Order Nos. R-2538, R-2538-A, and R-3737).

I have therefore set this filing to be heard before an Examiner at the next available hearing scheduled for April 18, 1990.

Should you have any questions concerning this matter, please contact me.

Sincerely,

Michael E. Stogner  
Chief Hearing Officer/Engineer
