RE: Unorthodox oil well locations, West Pearl Queen Unit Well Nos. 180 and 192; Units K and J, respectively, Section 28, Township 19 South, Range 35 East, Pearl Queen Pool, Lea County, New Mexico.

Ease 9921

Dear Ms. Atwater:

I am unable to administratively approve the two subject unorthodox oil well locations at this time. General Rule 104.F.I. and Ordering Paragraph No. (2) of Division Order No. R-2729, as amended, do not provide a provision for administrative review of producing wells drilled closer than 990 feet to the outer boundary of the West Pearl Queen Unit (see copies of Order Nos. R-2729, R-2729-A, and R-2728).

I have therefore set this filing to be heard before an Examiner at the next available hearing scheduled for April 18, 1990.

Should you have any questions concerning this matter, please contact me.

Sincerely,

Michael E. Stogner Chief Hearing Officer/Engineer
