Re: Powell #1 Unit C, Sec. 23, T7S, R28E
Chaves Co., New Mexico

Gentleman:

Enclosed is a copy of a July 20, 1994, letter to you from Ray Smith, Oil & Gas Inspector for the New Mexico Oil Conservation Division District II, requesting that you inform the OCD by August 15, 1994, of your plans to plug the above-referenced well.

The OCD has not received such plans as of the above date and is therefore by this letter informing you of its intent to hold a "show cause" hearing directing you to show cause why an order should not be entered determining that the well should be plugged, directing any plugging bond you posted to be forfeited, and directing you to plug the well. If you do not plug the well and the OCD is required to do so, the OCD will seek to recover any monies expended in plugging the well from you through all available legal means.

If we do not hear from you by February 9, 1995, we will set this matter for the above-described show cause hearing.

Sincerely,

A handwritten signature in black ink that reads "Rand Carroll".
