3. Operator has deposited with the Sunwest Bank at Roswell, Chaves County, New Mexico, the sum of \$5,000 in Certificate of Deposit or Savings Account No. 30108 and has assigned said account to the Oil Conservation Division as security for said bond.

6. By authority of Section 70-2-12 N.M.S.A. 1978, the Rules and Regulations of the Division require wells which are inactive for more than one year or are no longer usable for beneficial purposes to be properly plugged.

7. Demand has been made upon the Operator to either place the subject well to beneficial use, obtain approval for temporary abandonment or properly plug and abandon the same and the Operator has failed to do so.

WHEREFORE, the Supervisor of District II of the Oil Conservation Division applies to the Director to enter an order:

1. Determining whether or not the Thigpen etal #1-Y well should be plugged in accordance with a Division-approved plugging program:

2. Upon determination that said well should be plugged directing Otis H. Sanders, as

Operator to plug said well.

3. Further ordering that if operator fails to plug and abandon said well as ordered by the Director, that the Division be authorized:

- a. to plug said well;
- b. to declare forfeit on said bond and to take such action to foreclose on said bond; and
- c. to recover from the Operator any costs of plugging in excess of the amount of the bond.

4. For such other and further relief as the Division seems just and proper.
