Re: Application of Chevron U.S.A. Production Company for an Unorthodox Well
Location, Lea County, New Mexico

Gentlemen:

This letter is to advise you that the administrative application filed by Chevron U.S.A. Production Company with the New Mexico Oil Conservation Division seeking approval to drill its W.T. McComack No. 18 Well in the Tubb formation, at a location 210 feet from the North line and 2390 feet from the East line of Section 32, Township 21 South, Range 37 East, N.M.P.M., Lea County, New Mexico and has been set for hearing before a Division Examiner on April 20, 1995. A copy of this application has been previously mailed to you.

You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,
