

**Rand, on these files the cases were consolidated 11507, 11508, 11509
And the wells in question were the Case 11509- El Poso Ranch wells Nos. 1, 2, 3, 4, 7, 9, 10 under Chuza Operating
Case 11507 – Petroleum Development Corporation – El Poso Ranch wells Nos 8 and 11 and**

Case 11508 – Spur Oil Inc. – Samantha Nos. 1, 2, 3, Gonzales Well Nos. 13 and 18 and Quinlan Ranch wells Nos. 1 and 2

I found no well plugging contract in the file. I made copies of the orders to put in the files. The last hearing stated the OCD was going to plug the wells. What do I do with these?

9/15/07 All plugged by operator
