Gulf Insurance Company is the surety .

3. The subject well has not produced hydrocarbon or carbon dioxide substance or has otherwise been inactive for more than one year or is no longer usable for beneficial purposes and no permit for temporary abandonment has been requested by the Operator or approved by the Division.

WHEREFORE, the Supervisor of District II of the Oil Conservation Division applies to the Director to enter an order:

A. Determining whether the well should be plugged in accordance with a Division-approved plugging program.

B. Upon a determination that the well should be plugged, directing Operator to plug the well.

D. For such other and further relief as the Division deems just and proper, including the assessment of fines.
