STATEMENT OF RICHARDSON PRODUCTION COMPANY

Richardson has a working interest ownership in the oil and gas minerals underlying the S/2 of Section 8, T29N, R14W, NMPM, San Juan County, New Mexico.

Richardson has proposed to the other interest owners that this well be drilled for downhole commingled production from any Pictured Cliffs formation to be dedicated to a 160-acre gas spacing and proration unit consisting of the SW/4 of Section 8 for this production and the S/2 for any production from the Basin Fruitland Coal Gas Pool to be dedicated to a 300-acre gas spacing and proration unit consisting of the S/2 of Section 8 for production.

Despite its good faith efforts, Richardson has been unable to obtain a written voluntary agreement from all of the working interest and or mineral interest owners. Therefore, Richardson needs an order of the Division pooling the identified and described mineral interests in order to protect correlative rights and prevent waste.

Richardson requests that Richardson Operating Company to named the operator
