Re: Fasken Oil & Ranch, Ltd. et al. v. Oil Conservation Commission, et al.
No. CV 98-54 JS

Dear Judge Shuler:

The above-referenced case is an appeal of a New Mexico Oil Conservation Commission decision brought in the District Court pursuant to NMSA 1978, § 70-2-25(B) and Rule 1-074 NMRA 1998. On April 28, 1998, I received a copy of a brief in chief filed with the Court by the Petitioner-Appellee Fasken Oil and Ranch, Ltd. and Fasken Land and Minerals, Ltd. However, NMSA 1978, § 70-2-25(B) has no reference to briefs to be filed by the parties. It has been the usual practice that the parties to these appeals file briefs based on a briefing schedule set by the District Court. No such schedule has been requested by any party or established by the Court in this appeal. Additionally, Rule 1-074 NMRA 1998(O) states: **"Briefs may be filed only by leave of the district court and upon such conditions as the court may direct."**

I believe the parties need direction from the Court as to how to proceed in this matter. If the Court thinks briefs, in addition to the statements of appellate issues all parties have filed, are needed, I request that the parties file such briefs in accordance with a briefing schedule.

Thank you for your attention to this matter.

Litigation Update

Fasken v. OCC, Mewbourne and Texaco, CIV 98-54-JS, Fifth Judicial District, Eddy County —

The Judge has set a status conference hearing for July 8 in Carlsbad. Lyn contacted the Judge's secretary and arranged to have the hearing by telephone. Lyn will initiate the call.

on 3/2/98 Tasker Oil Leach : Tasker Land Minerals filed a Notice of Appeal :
Petition for Review of an Order of the Oil
Conservation Commission. This appeal
is pursuant to AMSA 1978, § 70-2-25(B)
and Rule 1-074 AMRA 1999.

^{Tasker}
Petitioners: Respondents OCC : Newbourn Oil Co.
each filed Statements of Appellate Issues
in accordance w/ Rule 1-074 (j)

In April, Petitioner Tasker filed its Brief-
in Chief.

By letter of 4/29/98, I requested direction from
the Ct as Rule 1-074 (O) states that briefs
are to be filed only by leave of the dist. Ct.

As the Petitioner has filed its brief, the Commission
asks to be allowed to file an Answer
Brief : that a briefing schedule be
entered by order

There is another matter, Texaco's M & be
excused from the case

Tom is to report to Ct. in 2 weeks or so on settlement
and if ~~they~~ ^{will} set a briefing if no settlement

7/7/98 - Jim Bruce thinks companies
have settled - all but paperwork
We should give them a month or
so before doing briefs
