Gavilon Federal Com Well No. 704H, API No. 30-025-46588

Dear Sir or Madam:

The following pertains to your request received by the Division on February 25th, 2020 and to the requirements in the captioned hearing order.

You have requested an extension of the deadline to commence drilling given by the Division in the captioned order.

As stated, you are requesting an extension to spud this well due to the operator recently receiving APD approval from the BLM, and still requiring time to contract a drilling rig. There was no opposition in the captioned case. You are requesting an additional year in which to spud this well. The spud date is now extended to, **February 28, 2021**.

Ordering Paragraph No. (6) of the captioned order is hereby amended, changing "February 29, 2020" to "February 28, 2021". The requested additional year in which to commence drilling is hereby granted.

All other provisions of this order remain in full force and effect.

Sincerely,

ADRIENNE SANDOVAL
