SCHEDULING ORDER FOR REHEARING

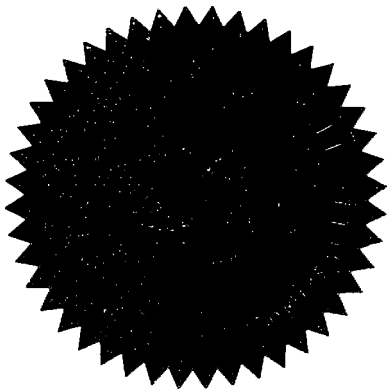

This matter came before the Oil Conservation Commission on a Joint Application for Rehearing filed on February 28 2017 (Application) by various parties in this Case. The Commission Chair pursuant to Section 70-2 25 NMSA 1978 granted the Application within ten days. The Commission at a meeting on April 4 2017 ratified the actions of the Chair and provided the following schedule for the rehearing:

1 The Commission shall hold a hearing on the Application on May 18 2017 in Santa Fe New Mexico. The scope of the rehearing shall be limited to the two issues raised in the Application: (1) the breadth of the designated area and (2) the language comprising 19 15 39 11(C)(2) NMAC. At the close of the hearing, the Commission may deliberate and may enter a new order as required. Section 70 2 25(A) NMSA 1978.

2 The hearing on the Application shall be conducted pursuant to 19 15 3 NMAC. Any person that intends to present technical testimony or cross examine witnesses shall file a pre hearing statement with the Commission Clerk no later than five business days before the hearing. The Commission shall provide public notice of the hearing.

3 The Oil Conservation Division shall not file the rule with the Records Administrator until further notice from the Commission.

DONE at Santa Fe New Mexico on this 5th day of April 2017
