Rio Arriba and San Juan Counties, New Mexico  
2018 Plan of Development

Ladies and Gentlemen:

**Pursuant to the Northwest Lybrook Unit Agreement, WPX Energy Production, LLC, as Unit Operator (“WPX”), proposes that no wells will be drilled within the Northwest Lybrook Unit during 2018.** A map of the Unit is attached hereto as Exhibit A and shows the existing producing wells contained therein. WPX will drill any offset wells that may be required to prevent drainage of unitized substances.

If this Plan of Development is acceptable, please signify your approval in the space provided on the enclosed execution page, and return an approved copy to WPX.
